

# NovaFin

Accounting & Finance Consulting

Company Profile

## About the company:

NovaFin is a professional accounting and tax consultancy dedicated to helping businesses navigate complex UAE regulatory requirements.

We work with SMEs, startups, corporates, and free-zone companies, providing accurate accounting, compliance, advisory, and financial management solutions that ensure business growth and financial stability.

Our team combines tax expertise, regulatory knowledge, and technology-enabled systems to deliver transparent, reliable, and client-focused services.

## Our Vision:

To be the most trusted and reliable accounting and tax consultancy in the UAE, recognized for accuracy, compliance, and client-focused financial solutions.

## Our Mission:

To empower businesses with accurate financial reporting, transparent tax compliance, and intelligent advisory, enabling informed decision-making and long-term growth.

## Why Choose us:

- Accuracy-driven accounting and bookkeeping
- On-time VAT and corporate tax compliance
- UAE tax law expertise and regulatory knowledge
- Cloud-based accounting systems for real-time access
- Transparent communication and reporting
- Cost-effective services tailored for SMEs and startups

## Services:

### Accounting Services

- ✚ Full-Cycle Bookkeeping and Accounting Records
- ✚ Accounting System Setup (Cloud-based and On-Premise Solutions)
- ✚ Accounts Payable & Receivable Management
- ✚ Cash Flow Monitoring and Management
- ✚ Financial Statement Preparation (IFRS-Compliant)
- ✚ Management Reporting and KPI Analysis
- ✚ Payroll Accounting and Employee Records
- ✚ Month-End and Year-End Closing Procedures

### Audit & Compliance Support

- ✚ Audit File Preparation and Documentation
- ✚ Internal Control Review and Risk Assessment
- ✚ Regulatory Compliance Review (UAE VAT & Corporate Tax)
- ✚ Coordination and Liaison with Auditors
- ✚ Assistance with Authority Inquiries and Compliance Checks

## Services:

### Advisory & Financial Planning

- ✚ Business Advisory Services for SMEs and Corporates
- ✚ Financial Feasibility Studies and Investment Analysis
- ✚ Budgeting, Forecasting, and Cash Flow Planning
- ✚ Financial Performance Analysis and KPI Tracking
- ✚ Risk Assessment, Mitigation, and Contingency Planning

## Business Value:

Our services deliver accurate and reliable financial records that empower informed business decisions while ensuring full compliance with UAE VAT and Corporate Tax regulations to avoid penalties and remain audit-ready. With in-depth expertise in mainland and free-zone tax laws, we provide tailored solutions aligned with your business structure. Cloud-based accounting systems offer real-time financial visibility and automated processes for greater efficiency and control.
